

Davidson County Election Commission Meeting of 5/25/2016

The commission met to conduct three follow-up interviews for the Administrator of Elections position. The interviewees were Robert McDonough, Charlie Tygard, and Jeff Roberts. There was a brief discussion afterwards about who to hire. But since evaluating the candidates was not on the agenda, the commission was advised by Metro council to schedule a subsequent meeting. The agenda will include candidate evaluation and a possible announcement of the AoE selection. This meeting is scheduled for June 10.
